

2011 - 2012 Weekly Scripture Readings - (Last Update 21 Feb 2012)

Torah, Haftorah and Psalms Parashiot readings, with Suggested Readings from the Brit Chadashah (New Testament) and Festival Selections. Please Note : Festival dates and possible leap year adjustments are dependant on Abib. Festival Calendar dates are only confirmed once the Abib Barley sightings from Jerusalem are **confirmed** (expected somewhere in March/April each year)

Once the Aviv Barley sighting report from Jerusalem for the year (2012) are confirmed, it enables accurate identification of dates of the first month of the biblical new year and the biblical festivals. Whether the year is a biblical leap year or not influences the dates for portions marked as "Double Portions" that need to be read either together or separately (in a 13th month leap year cycle) .

May YHVH keep you and bless you in Yahoshua,

Rob
